

2017 Competitor Information Package

PRO STOCK

TO ALL PRO STOCK COMPETITORS

Enclosed you will find the 2017 competitor information package for the IWK 250. This year's event will take place from July 13 to 15. Once again we are asking all teams to file their entry forms in advance and in consideration of that are offering an 'Early Bird Bonus' for entries received by June 23.

The 'Early Bird Bonus' includes front pit parking (for the first 26 entries), consideration for a provisional starting spot (if necessary), driver bio in the Official Souvenir Program for the IWK 250, five free pit passes included with the \$250 entry fee, and up to 10 additional pit passes at the discounted rate of \$50 each (\$60 at the gate) or discounted weekend pit passes for \$70 (\$90 at the gate).

For the first time, our IWK 250 Entry Form is online. It's easy, quick, and secure - and can be completed from any desktop or mobile device. The link is on our IWK 250 event page at www.riversidespeedway.ca.

If you need a hotel room it is strongly advised that if you haven't already made your reservations then you should soon. If you are a camper please be aware all overnight parking (RV's, tents, etc.) at Riverside over the IWK 250 weekend requires an advance reservation. Our campground is currently full and we are working to find a solution that will accommodate as many RV guests as possible. To have your name added to the request list please email mclean@riversidespeedway.ca including RV type and size along with your daytime contact information. Emails will be sent to those on the list as sites become available.

This year's purse is over \$88,000 and it will include bonus money for laps led along with several contingency awards provided by sponsors of both the Parts for Trucks Pro Stock Tour and of the track.

For those who do not run with the Tour on a regular basis you will have to contact them directly regarding your tire order; the number is 902-476-5255.

Should you have any questions or concerns please email me.

We appreciate your support of Riverside International Speedway and the IWK 250.

Thanks,
Paul McLean
Track Manager
