

## 2018 Competitor Information Package

# PRO STOCK

---

## TO ALL PRO STOCK COMPETITORS

Enclosed you will find the 2018 competitor information package for the IWK 250. This year's event will take place from July 12 to 14. Once again we are asking all teams to file their entry forms in advance and in consideration of that are offering an 'Early Bird Bonus' for entries received by June 22.

The 'Early Bird Bonus' includes front pit parking (for the first 26 entries), consideration for a provisional starting spot (if necessary), driver bio in the Official Souvenir Program for the IWK 250, five free pit passes included with the \$250 entry fee, and up to 10 additional pit passes at the discounted rate of \$50 each (\$60 starting June 23) or discounted weekend pit passes for \$70 (\$90 starting June 23).

**Our IWK 250 Entry Form is online. It's easy, quick, and secure - and can be completed from any desktop or mobile device. The link is on our IWK 250 event page at [www.riversidespeedway.ca](http://www.riversidespeedway.ca).**

If you need a hotel room it is strongly advised that if you haven't already made your reservations then you should soon. If you are a camper please be aware all overnight parking (RV's, tents, etc.) at Riverside over the IWK 250 weekend requires an advance reservation. While our main campground is full we have a limited number of RV spaces remaining in the overflow section. If you still need to reserve a space for this year please visit our website ASAP and complete the online [IWK 250 Campsite Reservation](#) form.

The purse is over \$88,000 and will include bonus money for laps led along with several contingency awards provided by sponsors of both the Parts for Trucks Pro Stock Tour and of the track.

For those who do not run with the Tour on a regular basis you will have to contact them directly regarding your tire order; the number is 902-476-5255.

Should you have any questions or concerns please email me.

We appreciate your support of Riverside International Speedway and the IWK 250.

Thanks,  
Paul McLean  
Track Manager
